

Winter soft wheat ORLOGE

Productivity and quality

ORLOGE

ORLOGE is wheat with **high productive potential** mainly due to its **good health**. Has a good performance as in semi-dry, fresh or irrigated lands.

ORLOGE has a **quality grain, big sized and high protein content**. Classified as superior bread wheat in France (BPS).

ORLOGE, four reasons to choose it:

- **High yield**
- **Baking quality**
- **High protein content**
- **High specific weight**

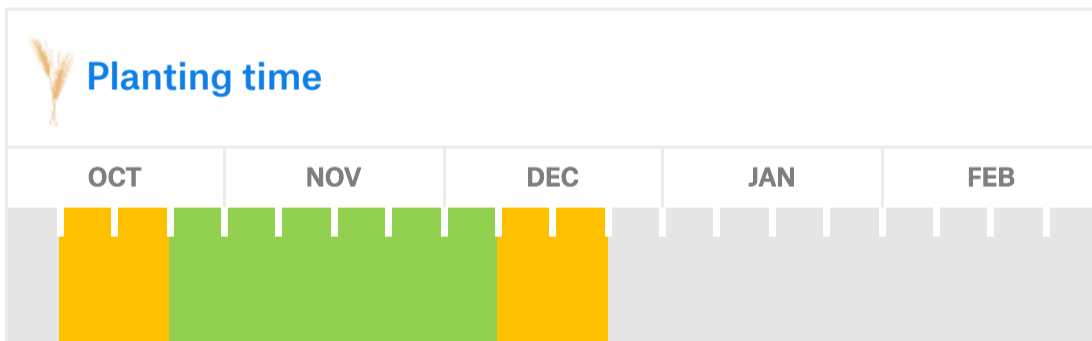

CULTIVATION AREA

EAR

Awned

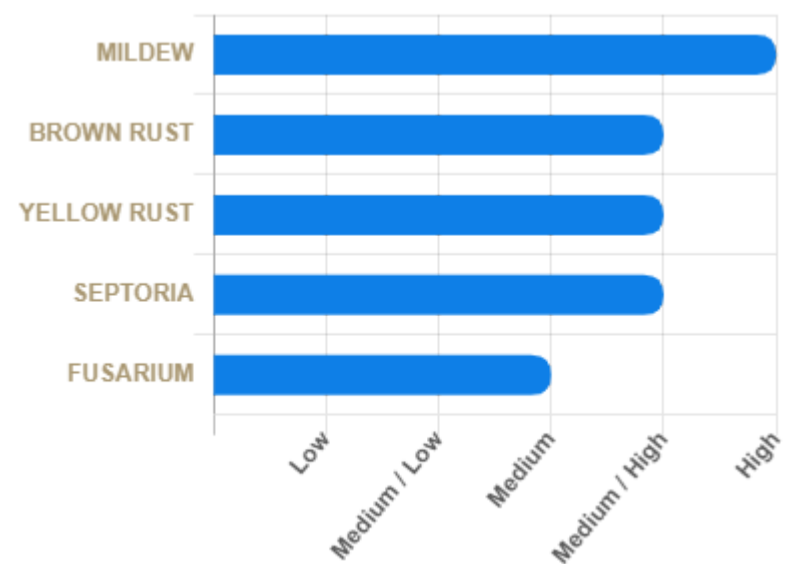

Sowing Density

200 a 280
kg/ha

AGRONOMIC CHARACTERISTICS

CYCLE	Winter
PRECOCITY	Early
CHLORTOLURON	Tolerant
RIPENING	Medium / High
QUALITY	Bread Wheat

DISEASE RESISTANCE
