

Black oats

CELESTE

The rusticity of black oats

CELESTE

CELESTE is **guarantee of high yields**. Registered in 2019, since that moment it is on the podium in the French rehearsals. Very good behavior against bedridden.

CELESTE, its grain is **intense black** and high specific weight.

CULTIVATION AREA

GRAIN COLOR

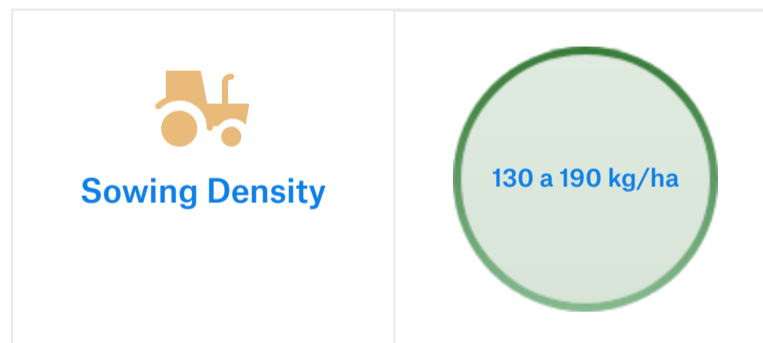

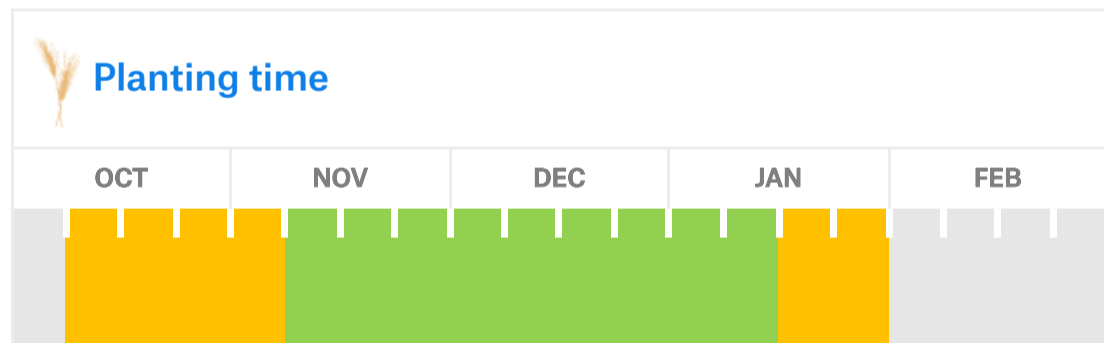

White

CELESTE, a good option:

- For productivity
- Due to rusticity
- By grain quality
